

December 9th, 2011

Dear Prototype Lites Team Owner, Team Manager or Drivers:

Xtreme TM is contracted by the Cooper Tire and Rubber Company to provide tire sales, shipping and at-track support service for the Cooper Tire Prototype Lites Championship for 2011. In the interest of maintaining good business relationships and avoiding misunderstandings, we'd like to explain some of our ordering, payment, and return policies.

Cooper Tire/ Xtreme TM 2011 Tire Sales Policies

Ordering Tires

All test or event tire pre-orders should be placed with Nikki Stauber at Xtreme TM (contact info is at the end of this letter).

For team tests, tires may be shipped to you directly or pre-purchased by the pre-order deadline on the event pre-order form before a series event to be picked up at the track - see payment information below for important payment details. To ensure a timely and low-cost delivery, shipped orders should be placed with Xtreme TM at least 10 days before you need them. Orders placed after this time frame will be accepted, but there is no guarantee of timely delivery and you may have to pay for expedited delivery charges. After the order has been placed with Xtreme TM, it will be drop shipped from a Cooper Tire warehouse to the shipping address you supply. Shipping charges are always paid by you (the customer). Tire pricing does not include freight costs. NOTE: When having product shipped to you, fitting and balancing by Xtreme TM staff is not an option, as this service is only available at the track.

For at-track events, tires may be pre-purchased by the pre-order deadline before the event or you may purchase them on-site, as needed (see payment information below for important payment details). At the beginning of the season, a pre-order form will be distributed to you by your series administrators. Please use this form for any pre-purchases. You are entitled to one free mount and balance per tire on the event weekend (race or series designated official test), where you take delivery. You will be charged for any additional fitting and balancing work done during the weekend.

Ordering for Canadian Events

Race tires for Canadian events will be leased to you. All product for Canadian events must be pre-ordered and pre-paid before the Canadian event. A mandatory pre-order form will be distributed by the series at least a month before the Mosport event. Your tires will be delivered and mounted at the beginning of the event and must be returned and dismounted at the end of the event. We are required to return to the United States with all products we bring in to Canada.

Payment

All Cooper Tire products must be PAID IN FULL before it is shipped or before it is mounted if purchased at an event.

Tire pricing for the 2011 season is as follows:

L1 slicks \$1270/set

L1 wets \$1100/set

L2 slicks and wets \$1100/set

If you pre-purchase by the pre-order date before an event, you may be eligible for a discounted rate on your Cooper Tire product. Xtreme TM accepts checks, Amex, Visa, and MasterCard for payment. Checks should be made out to **Xtreme TM**. There will be a 4.5% credit card processing fee added to purchases made with Amex, Visa, or Master Card. If Xtreme TM experiences two repeated denials on credit card transactions or one non-sufficient funds on a check, you will be refused service until the balance is paid in full. Your account will be placed on a cash/verified credit status. Pre-payment will be required for all future purchases.

Returns

Once pre-purchased or mounted, neither Cooper Tire nor Xtreme TM will accept returns on any tire product which has been shipped to a team or delivered at an event. Please make your pre-purchase and mounting decisions carefully.

Please feel free to contact us if you have questions or concerns at 949-244-8717 or nstauber@xtremetm.net. We are excited about the racing season ahead and look forward to working with you.

Sincerely,

Nikki Stauber
CEO, Xtreme TM
