To: All IMSA Licensed Drivers

From: Scot Elkins, Vice President, Operations

Date: 24 January 2011

Re: Mandatory ImPact Testing of Drivers

In 2011 IMSA will begin ImPact testing for all drivers. ImPact is a computerized concussion evaluation system. If you'd like more information about the test, including a list of organizations and sports that presently use ImPact testing, go to impacttest.com.

We will begin testing drivers at the Sebring winter test. The test takes about 30 minutes. Testing will be done in a conference room at the Four Points by Sheraton Sebring Chateau Elan. We will test drivers Monday February 7 through Thursday February 10 from 9 am to 5 pm. We will continue testing at the Mobile 1 Twelve Hours of Sebring presented by Fresh from Florida and at most events throughout the 2011 season.

Participation is mandatory; initially we will ask that you sign up for a time slot that is convenient to your schedule. Eventually you may be assigned a time.

To sign up for a test time at the winter test please contact: Pam Gratiot
